The Pangkor International Development Dialogue (PIDD) is an international event that aims to promote the exchange of knowledge and ideas in the areas of global, regional, national and state development. It is an event that gathers experts from various backgrounds that will benefit multiple stakeholders in the creation of their policies and activities.

**PIDD 2014 Objective**

To facilitate an open exchange of views and knowledge sharing in nation development.

To strengthen and position the Perak State Government's stature in Malaysia and Global arena.

To explore the utilization of resources that would benefit and enhance the socio-economic development for the state and country.

*We seek new directions on the issues of sustainable development to enhance the socio-economic transformation of the people as well as strengthening the overall position of Perak within Malaysia and International contexts.*

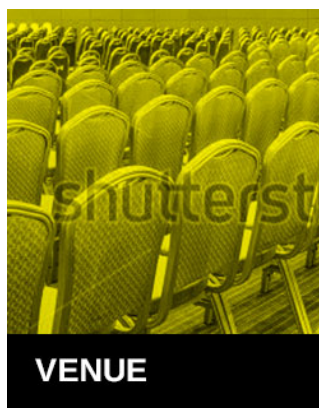

**Dato' Seri DiRaja Dr Zambry bin Abd Kadir**  
Menteri Besar of Perak
